Dear candidate,

Thank you for your interest in becoming an External Trustee at Solent Students' Union. We're currently in an exciting period of transformation, with a new Chief Executive, a refreshed team structure, and the start of a new strategic year — making this a particularly inspiring time to get involved.

Our Board of Trustees plays a vital role in guiding the Students' Union, ensuring we deliver the very best for our members while meeting our statutory responsibilities. As an External Trustee, you would work closely with our full-time Sabbatical Officers and Student Trustees, contributing your skills and experience to strengthen the Board and support the Chief Executive.

External Trustees provide valuable continuity, insight, and expertise. Most importantly, they help create an environment where our student trustees feel empowered to champion the student voice at the heart of everything we do.

We are looking for someone with a genuine enthusiasm for helping to shape a strong, high-performing organisation that truly serves its members.

We are proud to have a team that reflects a range of backgrounds and experiences, and we are committed to continuing to grow in diversity and inclusion. We never want anyone to feel that this opportunity isn't for them. If you're considering applying, please don't let self-doubt hold you back.

We know that imposter syndrome is real. It can make you question whether you're "good enough" or whether your achievements truly count. We want to reassure you — they do. If this role interests you and you feel you could contribute, we strongly encourage you to apply.

If you would like to have an informal conversation or ask any questions before applying, you are very welcome to reach out to our Chief Executive Josh Whale (Joshua.whale@solent.ac.uk). He would be happy to chat.

In the following pages, you'll find more information about Solent Students' Union and Southampton Solent University, our values, the role description, and details on how to apply.

We genuinely hope you'll consider joining us in shaping an outstanding experience for all students at Southampton Solent University. If you're interested — please do apply. We very much look forward to hearing from you.

Best wishes,

Joshua Whale
Chief Executive Officer

About Solent Students' Union

Solent Students' Union is proud to say we are run by students, for students. We are here to help all Southampton Solent students have the best possible time while at university.

We are here to improve students' education, make campus life fun, look after their wellbeing, make them more employable for after university, and ultimately empower them to change the world around them.

Our students are at the heart of everything we do and our two Sabbatical Officers, who are elected annually, represent the voice for over 6500 students at Southampton Solent University. They are the face of the Union, with a reliable and innovative team working behind the scenes to support them during their time in office, as well as the wider SU.

Although we are a small team, don't let that fool you. The work we do is BIG – from hosting large scale events to working with leading organisations in the area to solve issues that impact our students. We are full of outstanding staff, volunteers, elected officers and trustees, who hold specialist skills and experiences that help our students to grow and flourish during their time with us.

We also offer a wide range of opportunities, services, and support to help students get the most out of their time at university, such as our in-house and invaluable Academic Advice Service (which is completely free and independent from the university), events, volunteering, societies, the SU Exchange, course and school reps, vehicle hire and much more!

To be current and up-to-date, Solent SU needs to be constantly listening, learning, evolving and being accountable. Equality, diversity, and inclusivity, as well as sustainability, are extremely important to us and will be the driving force behind our strategic planning.

We are also a registered charity, which means that any money we generate from our SU shop, advertisements or events is reinvested straight back into our Students' Union to improve the student journey.

our values:

INCLUSIVE

We want you to feel valued and that you belong.

PASSIONATE

We care deeply about people, our community and what we do.

PROGRESSIVE

We build on strengths, encourage new ideas and challenge boundaries of thinking.

TRUST

We trust and establish trust by being open, honest and accountable in everything we do.

BALANCE

We embrace a balanced life which leads to good health and greater chances of success.

About Southampton Solent University

Southampton Solent University is all about creating opportunities: for its students, for its staff, for its partners. It offers expertise and experiences you couldn't get anywhere else, opening doors and making connections.

Offering a range of 140 different courses to almost 6500 students, including undergraduate, postgraduate and apprenticeships, there is something for everyone at Southampton Solent University.

More than anything else, they are staying focused on their key purpose – developing grounded and enterprising students who, whatever their background, leave the university with the skills and confidence employers are looking for.

While we work closely with departments from all across the university, we are a separate organisation. This is important for several reasons, but mainly it means that if students have an academic problem while studying, they can come and talk to us, the Students' Union. They can do this in the confidence that we can take up the issue with the university and help to resolve it.

the board of trustees

The Board of Trustees has oversight of the educational character and mission of the Students' Union with specific responsibilities for financial probity and the effective use of resources. As the Students' Union has charitable status, Trustees of the charity must ensure that we meet our charitable objectives and continues to deliver value.

The Board comprises Lay, Sabbatical, and Student Trustees, all of whom have equal status. Trustees are appointed based on their skills, knowledge, and experience and how well they meet the current requirements of the Board.

being a trustee
