Motion Title	About the accomodations
Motion Explanation	<p>I don't have any evidence as much as I know of but it's why I chose Student housing and it was because of how bad the accomodation is Mainly chantry and I spoke to students in the past about it and they agree It could be a lot better as it is also the top 10 worst to live in the UK. When I was at the accomodation the lost I have what was wrong is.</p> <ul style="list-style-type: none">*We had around 3 sewage water leaks that happened*Silverfish were everywhere*At the smoking area which looks like a bus stop always has someone Staying there waiting for students usually and harassing them.* There was barely any security even tho it's meant to be "24 hours" which <p>Was why students smoked in front of the reception area instead</p> <ul style="list-style-type: none">*There was also dust around the place and some mold*It's odd how there is no student officer even tho there was awhile ago*I do remember when me and my kitchen just moved in the fridge was broken already and we were blamed for it.*The place could look better as walking through the corridors back at chantry felt like a mental asylum <p>I feel like this should be seriously looked into as it does affect students mental health because it feels like the staff members of the accoms wouldn't be bothered to look into the issues when it is obvious and I heard some members of staff don't like chantry either in the past from what I remember.</p>
